Smoketree Community Center

Quick Notes

We will discuss possibly moving our monthly club meetings to another location.

Also, the Old Dominion Open Committee will have a brief meeting immediately following the chapter meeting.

Last Month's Meeting:

At our September meeting, we elected officers for 2022-2023. Glen Martin will be our new President; he will be assisted by Vice-President Richard Leininger, Secretary Scott Wallace and Treasurer Ashley Abernathy. We thanked outgoing President Mike Lyons and Treasurer Alex Valz for their service.

We also had a number of members turn vendors, trying to "thin the stash" during our Swap & Sell event. We also enjoyed a variety of models presented during our Show & Tell segment.

A final note...we have much to prepare for over the next few months. Our annual chapter contest and dinner will be December 12 and Old Dominion Open is February 25, 2023. Much work will be required. We need your ideas, assistance, and support to make our upcoming year successful.

Looking forward to seeing YOU Monday, October 10, at Smoketree!
